

### **Congratulations on the birth of your child/ Welcome Visit**

Dear Mrs. \_\_\_\_\_,

Dear Mr. \_\_\_\_\_,

it is a great pleasure for me to congratulate you on the birth of your child \_\_\_\_\_.

The birth of a child brings with it many happy moments and a multitude of changes.

As a part of the Frühen Hilfen (early help), we would like to accompany and support you in your important task of „being parents“ and work with you to ensure a good future for your child.

The needs of each family are unique. However, experience shows that the questions parents ask themselves in the beginning revolve around the development and good care of their child. But the compatibility of family and career as well as returning to working life is also an important topic for parents.

In the city of Wetter (Ruhr) there are a variety of offers and services for families. The Youth Department has created the parent folder “Growing up in Wetter (Ruhr)” for you, which can help you find the right contact person for your questions and concerns.

The employee of the Youth Department, \_\_\_\_\_, \_\_\_\_\_, would like to visit you \_\_\_\_\_, make herself available to answer your individual questions and give you a welcome bag. It contains lots of information for families and a small gift for your child.

As a parent, you decide whether you want to accept this service from the city. However, if the suggested date is not suitable for you, I would ask you to contact \_\_\_\_\_ by telephone or email using the contact details provided above to arrange a more convenient date for you or to cancel the visit.

I wish you and your child all the best for the future.

Best regards

Frank Hasenberg
